

DCN multimedia System Connectors (50pcs)

www.boschsecurity.com

BOSCH
Invented for life

The System Connectors can be used together with the 250 m (820.2 ft) system network installation cable (DCNM-CB250) to create custom cable with a maximum length of 100 m (328.084 ft). The system cable toolkit (DCNM-CBTK) is used to connect the connectors.
